**Subject:** Amendment request for ASA1 to AB207

Tamara,  
No wonder people say that legislation is like making sausage... someday we might get the language agreed upon.

Can you please draft an amendment to ASA1 to AB207 that does the following:

Page 3, line 21 - replace "will" with "may".

The sentence would then read, health care facility use charge may be imposed...

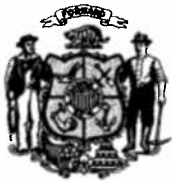

Page 3, line 24 (or where you deem appropriate) - after "appointment is made," insert something like, "upon the request of the patient". *Per Tara, estimate is only provided if patient requests it.*

The idea here is that a paper estimate must only be issued in a timely fashion if the patient requests it.

There may be some additional changes made to address a difference between facility fee and hospital charge. Do you think we should do a Sub 2, or just do two amendments to the sub?

The hearing on this bill will be on December 1st.

Thanks!
